

Dear Beloved Supporters, Community Members, and Partners,

Royal Redemption Bible Fellowship Church (RRBF) is a thriving community of believers dedicated to advancing the Kingdom of God through worship, service, and discipleship. Established in December 2020 under the guidance of Pastor Tommie I. Anderson, our fellowship has grown steadily, transforming lives through God's love and the power of His Word.

As we continue to grow, we are excited to introduce the **RRBF Building Fund**, a visionary initiative to support the construction of two transformative facilities: **The Worship Center** and **The Community Empowerment Center**. These spaces are designed to glorify God and serve as catalysts for personal, spiritual, and community transformation.

The Worship Center: A Sacred Space for Spiritual Growth

The Worship Center will be the heart of our church, dedicated to:

- **Hosting Worship Gatherings** – A sanctuary for individuals and families to encounter God and deepen their faith.
- **Expanding Ministry Programs** – Spaces for Bible studies, prayer meetings, and discipleship classes.
- **Fostering Unity in Christ** – A welcoming environment where relationships flourish and diversity is celebrated in Christ.

The Community Empowerment Center: A Hub for Service and Transformation

The Community Empowerment Center will be the foundation of our outreach and support initiatives, addressing critical needs within our community:

1. **Regular Outreach Activities** – Hosting food drives, community service projects, and open forums where individuals can explore faith and ask questions in a non-judgmental setting.
2. **Recovery Ministry** – Providing a safe space for individuals struggling with substance abuse through group meetings, one-on-one counseling, and spiritual guidance. This program will offer accountability and healing through the power of faith.
3. **Family and Marriage Counseling** – Offering Christ-centered counseling to strengthen families, improve communication, and resolve conflicts. Workshops and retreats will nurture relationships and build a stronger community.
4. **Youth Mentoring and Early Childhood Education** – Connecting older members with young people for mentorship while equipping young children with

developmental programs, tutoring, and Bible-based character education. Activities will promote spiritual growth and build confidence.

5. **Empowerment Classes** – Providing practical resources such as financial literacy, health and wellness, parenting, and vocational training. These classes will foster personal and spiritual growth, empowering individuals to thrive in every area of life.

Our Vision: Serving God and the Community for Generations to Come

At the heart of this initiative is our mission: *to Evangelize the Lost, Inspire Freedom, Genuine Identity, Deliverance, and Unconstrained Praise in Christ Jesus Alone*. The Worship Center and Community Empowerment Center reflect our deep commitment to honoring God while transforming lives within and beyond our church family.

How You Can Be a Part of This Vision

Your partnership in this endeavor is vital. By contributing to the RRBF Building Fund, you are investing in the spiritual growth of our congregation and the well-being of the broader community. Through your prayers, financial support, and involvement, you help us create spaces where individuals can encounter God, find healing, and receive practical tools to thrive.

Whether you choose to make a one-time gift or provide ongoing support, your generosity directly impacts families and individuals seeking hope and transformation. Together, we can build a lasting legacy for the glory of *The Audience of One*.

With sincere gratitude,

Pastor Tommie I. Anderson
